This Vehicle's Glossary

Below are the specific definitions for events that appear in this vehicle's report.

More information is available in the full AutoCheck glossary. (https://www.autocheck.com/members/culdesac/freelink_glossary.jsp)

Term	Section Location	Definition
Recall	Full History	A safety recall can be independently conducted by a manufacturer or ordered by the National Highway Traffic Safety Administration (NHTSA). In either case, the manufacturer must file a public report containing a description of the issue, the vehicles involved, and other information including a description of the solution. The manufacturer is obligated to provide a free remedy for vehicles involved in a safety recall.

Open Recall	Full History	A recall is considered "open" for a vehicle when it has not received the required service to correct the safety concern. The vehicle will need to be taken to a repair center that has been authorized by the manufacturer to correct any open recall conditions.
